Viewership on the Basis of Lecture Duration

Instructor Rating

Data Science has highest number of Avg.viewership. It's **ambiguous** to say that **Subtitle Count** has any direct relationship with **Avg.Number of Viewers**. **Business,Computer Science,Data Science** has more than **50%** share of count of **skill provided**. It's also **vague** to clearly say that there is any **direct relationship between Duration in hours and viewership**
